Lives changed
because of you

You created joy this season

You set students up for success

Thank You!

Last year, you made an incredible difference for those in our community that needed you.

You were there for the men and women who served our country only to fall on hard times when they returned home. You were there for the seniors and families looking for a haven to call home. You gave children and families the support they needed when they encountered hard times.

Because of you, Volunteers of America Michigan has helped veterans, seniors, and families maintain their dignity, strengthen their purpose, and reach their full potential for more than 125 years. You are changing lives.

Thank you!
